

ARNIGEL®:

QUICK RELIEF, ANYTIME, ANYWHERE

ARNIGEL® is a quick absorbing gel that has anti-inflammatory, analgesic and anti-bruising properties.

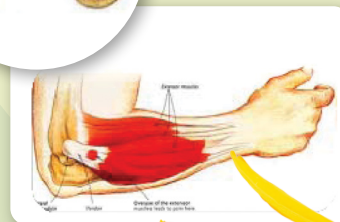

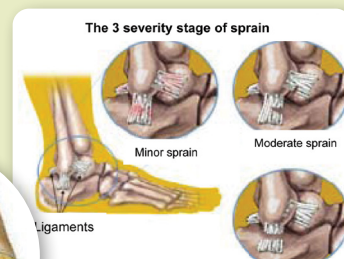

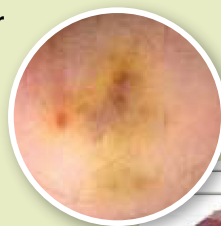

It is used as a local supportive treatment for minor injuries:

- ✓ Muscle Pain
- ✓ Bruises
- ✓ Muscle and tendon-ligament injuries: sprains, tendonitis and muscle fatigue
- ✓ Pain
- ✓ Stiffness
- ✓ Swelling

ARNIGEL® contains the active ingredient, Arnica Montana, which is produced from fresh, whole, blossoming herbs*.

Using the fresh herb in the production process helps retain most of the constituents and active substances contained in Arnica.

ARNIGEL® BENEFITS:

- ✓ **Gel Application**
Easy to apply, absorbed rapidly & does not stain
- ✓ **Hydro-alcoholic base***
 - No oily residue on the skin
 - Increased bioavailability
 - Provides a pain-relieving cooling sensation due to alcohol evaporation

- ✓ **ARNIGEL® is:**
 - paraben-free
 - colourant-free
 - fragrance-free
 - free from additional preservatives
